Old Business

We plan on having a bus ride to Dutch Country. The cost will be \$25.00, which includes lunch. We gave four people money for being in the hospital which came to a total of sixty dollars. The sick committee has a total of three hundred twelve dollars and five cents.

New Business

Ms. Smith spoke on the fence in the parking lot – she has three proposals. She also said that the lighting in the parking lot needs to be upgraded.

Mr. Olsteel Johnson spoke about having chairs in the lobby on Sunday. When it is time for the tenants to go to church, he would like to have the chairs in the lobby so that the tenants can sit while they wait to be picked up.

Ms. Ritter presented Ms. Davis with one hundred ninety dollars for her grandson to go to the National Valley Youth Forum in California

Richard Whitten donated two tickets for the pointer sisters to New Jersey PAC.

The meeting was then adjourned.
